

Booking the Choir!

A special opportunity for your community

Charity Concert for the Ukraine Appeal

Sunderland Male Voice Choir evolved from the former Shiney Row Male Voice Choir in July 2022.

The Choir has recorded and performed some great material over the years at venues across the region and nationally. Recently, it has embarked on a programme of creating new musical material based upon local heritage and people.

Formed originally in 1959, the Choir performs in churches, community, and concert halls.

The Choir also participates in formal civic events, such as Citizenship Ceremonies and The Mayor's Civic Services.

Engaging with and supporting local communities have always been a high priority for the Choir, who support local charities and groups wherever practical.

This information sheet provides you with general details on how you can book the Choir for your special concert or event.
